

This Sativa-leaning Hybrid promises a depth of flavors and scents. With a heavy Chemdog appearance, the delicious melon and cantaloupe notes on the back end may come as a surprise. That's thanks to the 9A95. As it's broken up, the Chem 91 and 9A95 become more balanced, bringing the sweetness to the forefront.

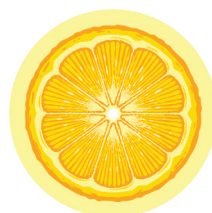

EFFECTS

BODY SEDATING EUPHORIC RELAXING

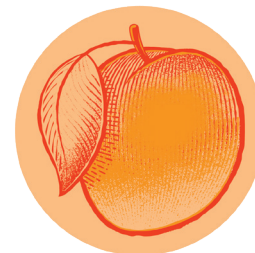

MEDICAL ATTRIBUTES

CHRONIC PAIN STRESS DEPRESSION

TERPENES

LIMONENE

MYRCENE
