

CANNABINOIDS

GHOST OF THE M

Ghost Dawg
x Kunduz Green Afghani x Blockhead

Ghost of the M is the child of 3 incredible Indica strains. The potent Afghani delivers a deep relaxation that pairs perfectly with the pain relieving properties of the Blockhead. The Ghost Dawg is responsible for the earthy, gassy scent. The high B-Caryophyllene levels make this strain a good fit for those living with chronic pain or insomnia.
